

Fantastic Netball Performances Across the School!

It has been a fantastic few weeks of netball at Oakhyrst Grange, with our U8, U9, U10 and U11 girls taking to the court and demonstrating wonderful enthusiasm, determination and teamwork.
Our younger teams enjoyed an exciting afternoon of matches, with both the U8 and U9 squads showing great energy and commitment throughout.

The U9 team delivered an outstanding performance, securing a brilliant 6–0 victory! Their excellent passing, movement around the court and accurate shooting made for a thoroughly deserved win, with every player contributing to the team's success.

The U8 team also put in a tremendous effort, showing great positivity and determination from start to finish. Despite creating some excellent opportunities and battling hard throughout, they narrowly missed out with a 2–0 defeat. Their teamwork and sportsmanship were fantastic to see.

Meanwhile, our U10 and U11 girls have enjoyed two weeks of competitive fixtures, showing just how much progress they are making. During the first week, results didn't quite go their way, but the girls demonstrated real resilience, continuing to work hard, support one another and learn from each match.

Their determination paid off in the second week, with some fantastic performances and a number of well-deserved wins across both teams! It was particularly pleasing to see the girls grow in confidence, defend with determination and move the ball purposefully down the court.

Across all four teams, there has been so much to celebrate – from brilliant shooting and confident passing to encouraging teammates and never giving up.

At Oakhyrst Grange, we are incredibly proud of the girls for demonstrating our school values of Resilience, Respect and Responsibility, both on and off the court.

A huge well done to all our netballers! Keep up the fantastic work – we look forward to seeing what you achieve next!

Go Oakhyrst!
