

## **U10's Football Match v Caterham Wednesday 7th October**

**Final Score: 4-0**

On the 7<sup>th</sup> of October 2009 Mr Gear and Mr Vincent picked a team of players which were Oliver B. in goal , Thomas D. at right back and John R. at left back. Ria P. was at right midfield Ryan T. at centre midfield and I was on the left of midfield. Josh S. was our centre forward, leaving Alex J., Cameron M., Will R. and Lewis H. on the subs bench.

In the first half Caterham kicked off and Josh S. attacked the ball straight away and scored a goal within five seconds. Caterham kicked off again but the same result happened with Josh scoring another goal. This was followed very quickly by a third goal for Josh. Mr Vincent said to me, "Three goals within two minutes, not bad!"

Caterham kicked off yet again but, unlucky for them, Josh and Ryan did a good one two with each other and Ryan scored a goal.

We weren't so lucky with all the attacking moves but we had lots of shots on goal for the rest of the half.

For the second half Mr Vincent made a few changes to the substitutes and we continued to play defending and attacking football. Caterham gave away a few free kicks and corners which did not go into the back of the net.

The final score was 4-0 to Oakhyrst.

I would like to thank Mr Vincent and Mr Gear for arranging the team and all of the parents for supporting us and sorting out the match tea. A special big thank you goes to Ehab and Alex for getting the ball every time it went off the pitch.
