

U10's Netball Match v Royal Russell Monday 5th October

Final score: 3-0

On the 5th October, the U10's Netball team played Royal Russell School. The team was Kaitlyn G., Ria P., Sophie D., Katie B., Helena H., Madeleine H. and myself.

In the first half it was our centre to start and we quickly got the ball down to the shooting area and Katie scored a fantastic goal. It was the Royal Russell's centre. Kaitlyn and Sophie defended excellently and we snatched the ball away! Shortly after that Ria scored a brilliant goal. The whistle then went for half-time and Mrs Sibley said that we were playing really well.

In the second half the team, and especially Madeleine, defended really well and Helena got the ball straight down to the shooting area and Ria scored another super goal. Twelve minutes had gone by really quickly and in the end the score was three nil to Oakhyrst.

I would like to thank Mrs Sibley who arranged the match and all the parents who came and support us.

Maya G. (U10 Netball Captain)
