

U9's Football Match v Bury's Court

Thursday 17th September 2009

Final Score: 1-1

On the 17th September, the U9's football team played a home game against Bury's Court.

The team was: Joel B., Thomas S., Nathan L., Alex E., Owen D., Fraser B., Ben B. and myself.

When the match first started it was pretty even but Bury's Court got a few good chances which, luckily, Ben kept out. The problem was Oakhyrst didn't get many chances. However, in the last five minutes of the first half I had a shot which hit the goalkeeper and he fell over, which allowed Nathan to pick up the ball and tap it in - 1-0 to Oakhyrst at half time.

During the half time break, Mr Gear gave us a helpful team talk. In the second half Bury's Court created lots of good chances which the defenders, Fraser and Owen, dealt with well - passing to Joel who had lots of amazing runs. Thomas and Alex were also passing to Joel and Nathan, with Joel having more crosses. Unfortunately most of Joel's crosses were intercepted by Bury's Court.

One of the crosses that got past the defenders reached Nathan who took a shot at goal but the goalkeeper touched it and slowed it down as it was about to go over the line. We thought we had the game in the bag when in the last minute they scored a goal. FULL TIME SCORE 1-1.

I would like to say well done to the team for playing well, thank you to the teachers for organising the game and a thank you to the parents who supported us.

Max B. (U9's Football Captain)
