

## **Year 1 Trip to London**

On Saturday 27th June, Year 1 went up to London. We have been studying all about famous people and famous buildings and the history of London this term.

We also visited the National History Museum because we had studied a topic all about dinosaurs.

We had lunch and games in Hyde Park. We saw Big Ben, St Paul's Cathedral, Nelsons Column, the London Eye, Westminster Abbey, the Houses of Parliament, the Monument, The Tower, The Gherkin, the BT Tower and Tower Bridge.

We then went shopping in Harrods and took a cruise down the River Thames.

What an eventful day. A good time was had by one and all!!

Thank goodness for Mr Vincent with his Indiana Jones hat, he couldn't be missed and was such a good leader. It's a pity we thought we were in search of the ark!!!
