

## Year 2 visit to Fishbourne Palace

On 25th June, Year 2 went on a school trip to Fishbourne Roman Palace and had a brilliant day.

We are very grateful to Mrs Barker and Mrs Harris who helped us on the day. A special thank you to Mrs Harris for using her car for additional seating space to our minibus. This is what some of the children said about our trip.

Michael McInnerney

On Thursday 25th June, Year 2 went to Fishbourne Palace. First of all we went to the museum. We saw a skeleton. It's teeth had fallen out in places. It was amazing seeing a Roman coin which they discovered at Fishbourne Palace.

Then we went to see the mosaics. We could see where the farm was. I could see where the farmer's plough came over the mosaic floor. Just before lunch we watched a film then we went to the garden. We saw a grape vine with tiny grapes on it. The garden was full of beautiful flowers.

Finn H.

On Thursday 25th June, Year 2 went to Fishbourne Palace. It is a Roman villa. We saw mosaic floors, under-floor heating, a Roman garden and lots of ancient artefacts.

I bought a Roman colouring book. We went to a Roman school. We learnt about a wax tablet and a stylus. I went in the minibus.

Freya B.

On Thursday 25th June, Year 2 went to Fishbourne Palace. My favourite part of the villa was the mosaic floor. My group leader was Finn's mum. She read all of the facts out loud. We saw a real dead skeleton. There was also a mosaic of cupid riding a dolphin.

We then went to Roman school and my Roman name was Ania. It was great.

From the shop I bought a pencil and necklace.

Anna W.
