

U11 ISA Football – 25th September 2026

Our U11 football team enjoyed a fantastic day of competition at the ISA Regional football competition hosted by Lingfield College. 21 schools took part and across our six group matches, the team recorded two wins, one draw and three defeats, which was enough to secure a place in the knockout stages as one of the top 12 teams. A brilliant achievement.

Unfortunately, our tournament came to an end with a 2–0 defeat in the knockout round to Rosemead School, but there were plenty of positives to take away. The team showed excellent improvement and progress throughout the day, growing in confidence with every match. This was particularly encouraging given our very young squad, which included several Year 4 pupils competing against older opposition. A great experience for the team and plenty to build on.

Well done to all involved.

U9 Football – 26th September 2026

Our U9 football team enjoyed a valuable day of competition at the annual competition hosted by Caterham School. The team started positively with a hard-fought 0–0 draw against Russell House in their opening match. The team then faced some very strong opposition against Caterham & Banstead Prep and found results harder to come by as the tournament progressed. Sadly, the tournament ended in a 5–0 defeat to Aberdour in the plate competition.

Despite it being a difficult morning, it was a fantastic learning experience for a group who have had limited opportunities to play together as a team. The children showed great effort, resilience and teamwork throughout, gaining valuable match experience that will help them continue to develop over the season. Well done to everyone involved!

Mr. Smith
