Safeguarding

Oakhurst Grange School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. At this school we respect and value all children and are committed to providing a caring, friendly and safe environment for our pupils so that they can learn in a relaxed and secure atmosphere. We believe that every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by, or invited to deliver services at Oakhurst Grange School. We recognise our responsibility to safeguard all who access school and promote the welfare of all of our pupils by protecting them from physical, sexual and emotional abuse, neglect and bullying. This should be read in conjunction with the Safeguarding Policy.

All staff will be asked to complete training annually following KCSIE updates. Further safeguard training will take place throughout the year. All staff must wear their lanyards at all times.

1. Aims

This policy aims to:

- Encourage individuals affected to report suspected wrongdoing as soon as possible in the knowledge that their concerns will be taken seriously and investigated, and that their confidentiality will be respected
- Let all staff in the trust know how to raise concerns about potential wrongdoing in or by the trust
- Set clear procedures for how the trust will respond to such concerns
- Let all staff know the protection available to them if they raise a whistleblowing concern
- Assure staff that they will not be victimised for raising a legitimate concern through the steps set out in the policy, even if they turn out to be mistaken (though vexatious or malicious concerns may be considered a disciplinary issue)
- This policy does not form part of any employee's contract of employment and may be amended at any time. The policy applies to all employees or other workers who provide services to the trust in any capacity, including self-employed consultants or contractors who provide services on a personal basis and agency workers.

2. Legislation

The requirement to have clear whistleblowing procedures in place is set out in the [Academy Trust Handbook](#). This policy has been written in line with the above document, as well as [government guidance on whistleblowing](#). We also take into account the [Public Interest Disclosure Act 1998](#).

3. Definition of whistleblowing

Whistleblowing covers concerns made that report wrongdoing that is "in the public interest". Examples of whistleblowing include (but are not limited to):

- Criminal offences, such as fraud or corruption
- Pupils' or staff health and safety being put in danger
- Failure to comply with a legal obligation or statutory requirement
- Breaches of financial management procedures
- Attempts to cover up the above, or any other wrongdoing in the public interest
- Damage to the environment

A whistle-blower is a person who raises a genuine concern relating to the above.

Not all concerns about the trust, or individual schools in the trust, count as whistleblowing. For example, personal staff grievances such as bullying or harassment do not usually count as whistleblowing. If something affects a staff member as an individual, or relates to an individual employment contract, this is likely a grievance.

When staff have a concern they should consider whether it would be better to follow our staff grievance or complaints procedures.

Protect (formerly Public Concern at Work) has:

- [Further guidance](#) on the difference between a whistleblowing concern and a grievance that staff may find useful if unsure
- A free and confidential [advice line](#)

4. Procedure for staff to raise a whistleblowing concern

Whistleblowing reports wrongdoing that it is "in the public interest" to report. Examples linked to safeguarding include:

- Pupils' or staff members' health and safety being put in danger
- Failure to comply with a legal obligation or statutory requirement
- Attempts to cover up the above, or any other wrongdoing in the public interest

Oakhurst Grange School

Staff are encouraged to report suspected wrongdoing as soon as possible. Their concerns will be taken seriously and investigated, and their confidentiality will be respected.

Staff should consider the examples above when deciding whether their concern is of a whistleblowing nature. Consider whether the incident(s) was illegal, breached statutory or school procedures, put people in danger or was an attempt to cover any such activity up.

4.2 Who to report to

School-based staff should report their concern to the DSL. If the concern is about the DSL or it is believed they may be involved in the wrongdoing in some way, the staff member should report their concern to the Headteacher.

4.3 How to raise the concern

Concerns should be made in writing wherever possible. They should include names of those committing wrongdoing, dates, places and as much evidence and context as possible. Staff raising a concern should also include details of any personal interest in the matter.

5. Procedure for responding to a whistleblowing concern

5.1 Investigating the concern

- When a concern is received by the DSL– referred to from here as the ‘recipient’ – they will:
- Meet with the person raising the concern within a reasonable time. The person raising the concern may be joined by a trade union or professional association representative
- Get as much detail as possible about the concern at this meeting, and record the information. If it becomes apparent the concern is not of a whistleblowing nature, the recipient should handle the concern in line with the appropriate policy/procedure
- Reiterate, at this meeting, that they are protected from any unfair treatment or risk of dismissal as a result of raising the concern. If the concern is found to be malicious or vexatious, disciplinary action may be taken (see section 6 of this policy)
- Establish whether there is sufficient cause for concern to warrant further investigation. If there is:
 - The recipient should then arrange a further investigation into the matter, involving the Headteacher, if appropriate. In some cases, they may need to bring in an external, independent body to investigate. In others, they may need to report the matter to the police
 - The person who raised the concern should be informed of how the matter is being investigated and an estimated timeframe for when they will be informed of the next steps

5.2 Outcome of the investigation

Once the investigation – whether this was just the initial investigation of the concern, or whether further investigation was needed – is complete, the investigating person(s) will prepare a report detailing the findings and confirming whether or not any wrongdoing has occurred. The report will include any recommendations and details on how the matter can be rectified and whether or not a referral is required to an external organisation, such as the local authority or police.

They will inform the person who raised the concern of the outcome of the investigation, though certain details may need to be restricted due to confidentiality.

Beyond the immediate actions, Governors and other staff, if necessary, will review the relevant policies and procedures to prevent future occurrences of the same wrongdoing.

Whilst we cannot always guarantee the outcome sought, we will try to deal with concerns fairly and in an appropriate way.

6. Malicious or vexatious allegations

Staff are encouraged to raise concerns when they believe there to potentially be an issue. If an allegation is made in good faith, but the investigation finds no wrongdoing, there will be no disciplinary action against the member of staff who raised the concern.

If, however, an allegation is shown to be deliberately invented or malicious, the trust will consider whether any disciplinary action is appropriate against the person making the allegation.

7. Escalating concerns beyond the trust

The trust encourages staff to raise their concerns internally, in line with section 4 of this policy, but recognises that staff may feel the need to report concerns to an external body. A list of prescribed bodies to whom staff can raise concerns with is included [here](#).

The Protect advice line, linked to in section 3 of this policy, can also help staff when deciding whether to raise the concern to an external party.

8. Approval

This policy will be reviewed annually, but can be revised as needed. It will be approved by the Board of Governors.
