Safeguarding

Oakhyrst Grange School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. At this school we respect and value all children and are committed to providing a caring, friendly and safe environment for our pupils so that they can learn in a relaxed and secure atmosphere. We believe that every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by, or invited to deliver services at Oakhyrst Grange School. We recognise our responsibility to safeguard all who access school and promote the welfare of all of our pupils by protecting them from physical, sexual and emotional abuse, neglect and bullying. This should be read in conjunction with the Safeguarding Policy.

All staff will be asked to complete training annually following KCSIE updates. Further safeguard training will take place throughout the year. All staff must wear their lanyards at all times.

Oakhyrst Grange School

At Oakhyrst Grange School we recognise that the personal development of pupils—spiritually, morally, socially and culturally—plays a significant part in their ability to learn and achieve. We therefore aim to provide an education that enables pupils to explore and develop their own values and beliefs, spiritual awareness, high standards of personal behaviour, a positive, caring attitude towards other people, an understanding of their social and cultural traditions, and an appreciation of the diversity and richness of cultures.

Guidelines

- All curriculum areas contribute to each child's spiritual, moral, social and cultural development, and opportunities for this will be planned throughout the curriculum and across school life.
- All adults model and promote expected behaviour, treating all people as unique and valuable individuals, and showing respect for pupils and their families.
- Oakhyrst Grange School provides a community where pupils are accepted as unique individuals and where forgiveness and the opportunity to start again are fundamental to the ethos of the school.
- Pupils learn to differentiate between right and wrong and to consider the impact of their actions on others. They are encouraged to value themselves and others.
- Pupils understand the need for rules and the importance of abiding by them for the good of everyone. School and classroom rules reflect and promote acceptable behaviour, reward positive conduct, and celebrate pupils' work and achievements.
- As part of SMSC, we actively promote democracy, the rule of law, individual liberty, and respect for those with different faiths and beliefs—fundamental British values which underpin all that we offer.
- All curriculum areas use illustrations and examples drawn from as wide a range of cultural contexts as possible, reflected in teachers' planning, teaching and the resources the school makes available.

General Aims

- Ensure that everyone connected with the school is aware of our values and principles (see PSHE Policy, Mission Statement and Values).
- Provide a consistent approach to SMSC through the curriculum and wider school life.
- Set pupils' education within a context meaningful and appropriate to their age, aptitude and background.
- Ensure pupils know what is expected of them and why.
- Enable pupils to develop self-knowledge, self-esteem and self-confidence.
- Give each pupil opportunities to reflect upon and discuss their beliefs, feelings and responses to personal experience.
- Emphasise that freedom to hold other faiths and beliefs is protected by law.
- Enable pupils to develop their individual and group identity.
- Develop pupils' understanding of their social and cultural environment, and appreciation of the many cultures enriching our society.
- Provide opportunities to explore social and moral issues, develop a sense of social and moral responsibility, and understand the importance of identifying and combating unfair or illegal discrimination.

Oakhurst Grange School

- Help pupils acquire a broad knowledge of and respect for public institutions and services in England.
- Develop pupils' understanding of how citizens can influence decision-making through the democratic process.
- Encourage respect for democracy and support for participation in the democratic process, including respect for the basis on which the law is made and applied in England

- Develop understanding of their social and cultural environment.
- Develop awareness of Britain’s local, national, European and wider global dimensions.

- Speak about difficult events (bullying, bereavement).
- Share thoughts and feelings with others.
- Explore relationships with friends, family, peers.

- Develop attitudes such as empathy, respect, open-mindedness, sensitivity and critical awareness.

Oakhurst Grange School

Many curriculum areas encourage pupils to:

- Listen and talk to each other.
- Treat everyone as equals, accepting physical or mental differences.
- Agree and disagree respectfully.
- Take turns and share equipment.
- Work co-operatively and collaboratively.

Monitoring and Evaluation

Provision for SMSC is monitored and reviewed regularly through:

- Lesson planning and teaching reviews by the Headteacher.
- Staff and Governors' discussions.
