## Safeguarding

Oakhurst Grange School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. At this school we respect and value all children and are committed to providing a caring, friendly and safe environment for our pupils so that they can learn in a relaxed and secure atmosphere. We believe that every pupil should be able to participate in all school activities in an enjoyable and safe environment and be protected from harm. This is the responsibility of every adult employed by, or invited to deliver services at Oakhurst Grange School. We recognise our responsibility to safeguard all who access school and promote the welfare of all of our pupils by protecting them from physical, sexual and emotional abuse, neglect and bullying. This should be read in conjunction with the Safeguarding Policy.

All staff will be asked to complete training annually following KCSIE updates. Further safeguard training will take place throughout the year. All staff must wear their lanyards at all times.

## 1. Aims

This policy aims to show Oakhyrst Grange is committed to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons. We work closely with Surrey County Council (SCC) to identify pupils at risk of persistent or severe absence.

## 2. Legislation and guidance

This policy is based on the Department for Education's (DfE's) statutory guidance on working together to improve school attendance (applies from 19 August 2024) and school attendance parental responsibility measures. The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Working together to improve school attendance (DfE, statutory, 19 Aug 2024)
- School Attendance (Pupil Registration) (England) Regulations 2024
- Education (Penalty Notices) (England) (Amendment) Regulations 2024 — National Framework
- Education (Information About Individual Pupils) (England) (Amendment) Regulations 2024 (daily data sharing)
- School census guidance (DfE)
- Keeping Children Safe in Education 2025
- Surrey County Council: Code of Conduct for issuing Penalty Notices (July 2024) & Surrey Attendance Service practice guide (July 2024)

## 3. Roles and responsibilities

### 3.1 The governing board

The governing board is responsible for:

- Setting high expectations of all school leaders, staff, pupils and parents/carers
- Making sure school leaders fulfil expectations and statutory duties, including:

## Oakhurst Grange School

- Making sure the school records attendance accurately in the register, and shares the required information with the DfE and local authority
- Making sure the school works effectively with local partners to help remove barriers to attendance, and keeps them informed regarding specific pupils, where appropriate
- Recognising and promoting the importance of school attendance across the school's policies and ethos
- Making sure the school's attendance management processes are delivered effectively, and that consistent support is provided for pupils who need it most by prioritising staff and resources
- Making sure the school has high aspirations for all pupils, but adapts processes and support to pupils' individual needs
- Regularly reviewing and challenging attendance data and helping school leaders focus improvement efforts on individual pupils or cohorts who need it most
- Working with school leaders to set goals or areas of focus for attendance and providing support and challenge
- Monitoring attendance figures for the whole school and repeatedly evaluating the effectiveness of the school's processes and improvement efforts to make sure they are meeting pupils' needs
- Where the school is struggling with attendance, working with school leaders to develop a comprehensive action plan to improve attendance
- Making sure all staff receive adequate training on attendance as part of the regular continued professional development offer, so that staff understand:
  - The importance of good attendance
  - That absence is almost always a symptom of wider issues
  - The school's legal requirements for keeping registers
  - The school's strategies and procedures for tracking, following up on and improving attendance, including working with partners and keeping them informed regarding specific pupils, where appropriate
- Making sure dedicated training is provided to staff with a specific attendance function in their role, including in interpreting and analysing attendance data.
- The Attendance Champion ensures there is monthly scrutiny of persistent (10%+) and severe (50%+) absence cohorts and actions.
- Admission and attendance registers are kept electronically, backed up at least monthly and retained for 6 years, per 2024 Regulations.

Mrs Pauline Clark regularly monitors attendance data. Mrs Clark is provided with attendance details from the Headteacher report at Governor meetings. Holding the Headteacher to account for the implementation of this policy.

### 3.2 The Headteacher

The Headteacher is responsible for:

- The implementation of this policy at the school
- Monitoring school-level absence data and reporting it to governors
- Supporting staff with monitoring the attendance of individual pupils

## Oakhurst Grange School

- Monitoring the impact of any implemented attendance strategies
- Issuing fixed-penalty notices, where necessary. Request Surrey County Council (Surrey Attendance Service) to issue a Penalty Notice where appropriate under the National Framework and SCC Code of Conduct. The school itself will not issue Penalty Notices directly.
- Working with the parents/carers of pupils with special educational needs and/or disabilities (SEND) to develop specific support approaches for attendance for pupils with SEND, including where school transport is regularly being missed, and where pupils with SEND face in-school barriers
- Communicating with the local authority when a pupil with an education, health and care (EHC) plan has falling attendance, or where there are barriers to attendance that relate to the pupil's needs
- Communicating the school's high expectations for attendance and punctuality regularly to pupils and parents/carers through all available channels
- Sharing information from the school register with the local authority, including:
  - Notifying the local authority when a pupil's name is added to or deleted from the school admission register outside of standard transition times
  - Providing the local authority with the details of pupils who fail to attend school regularly, or who have been marked with an unauthorised absence for a continuous period of 10 school days
  - Providing the local authority with the details of pupils who the school believes will miss 15 days consecutively or cumulatively because of sickness
  - providing the local authority with the names and addresses of all pupils of compulsory school age who fail to attend school regularly or have been absent for a continuous period of ten school days where their absence has been recorded with one or more of the codes statistically classified as unauthorised (G, N, O, and/or U). Local authorities must agree the frequency that attendance returns are to be provided with all schools in their area. This should be no less frequently than once per calendar month.
  - 10/15 consecutive or cumulative days absence using Code I only. Schools are legally required to notify the local authority where pupils are coded I (illness) and who the school has reasonable grounds to believe will miss 15 days consecutively or cumulatively because of health needs.

The attendance officer is Victoria Howes. Victoria Howes and can be contacted via [Victoria.howes@surreycc.gov.uk](mailto:Victoria.howes@surreycc.gov.uk).

### 3.5 Class teachers/form tutors

Class teachers are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office by 9am.

### 3.6 School office staff

School office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the class teacher where appropriate, in order to provide them with more detailed support on attendance
- If a child is not in attendance the office will 'Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason the school cannot reach any of the pupil's emergency contacts, the school may contact outside agencies e.g. police'.

### 3.7 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every [day] on time

## Oakhurst Grange School

- Call the school to report their child's absence before 9am] on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide at least two emergency contact numbers where reasonably practicable (KCSIE).
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the Head teacher, Mrs Gemma Mitchell who can be contacted via the school office.

### 3.8 Pupils

Pupils are expected to:

- Attend school every day, on time

## 4. Recording attendance

### 4.1 Attendance register

We will keep an electronic attendance register, and place all pupils onto this register. Entries are retained for 6 years.

We will take our attendance register at the start of the first session of each school day and once during the second session in the afternoon. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

## Oakhurst Grange School

The school day starts at [9am] and ends at [3.45pm].

Pupils must arrive in school by [9am] on each school day.

The register for the first session will be taken between 8am and 8.40am. The register for the second session will be taken between 1.50pm and 2pm.

### 4.2 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence by 9am, or as soon as practically possible, by calling the school office staff, who can be contacted via 01883 343344

We will mark absence due to physical or mental illness as authorised, unless the school has a genuine concern about the authenticity of the illness.

Where the absence is longer than 3 days, or there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

### 4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent notifies the school in advance of the appointment.

Parents should contact the school office to arrange a leave of absence.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. Go to section 5 to find out which term-time absences the school can authorise.

### 4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code
- This is discussed with the class teacher, SLT, SENDCo and the Headteacher where pupils miss more than 10% or more at the half term mark the school will work in partnership with parents and in some cases, professionals on a case by case basis.

### 4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent on the morning of the first day of unexplained absence to ascertain the reason. If the school cannot reach any of the pupil's emergency contacts, the school may contact outside agencies e.g police.

# Oakhyrst Grange School

- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: we will, as a school, consider the statutory guidance to issue a notice to improve, penalty notice or other legal intervention (see section 5.2 below), as appropriate. → consider police 'safe and well' if risk escalates; record all actions on the MIS/CPOMS.

## 4.6 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.7 above) about their child's attendance and absence levels in the end of term school reports.

## 5. Authorised and unauthorised absence

### 5.1 Approval for term-time absence

The Headteacher will allow pupils to be absent from the school site for certain educational activities, or to attend other schools or settings.

The Headteacher will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the 2024 school attendance regulations. These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Headteacher's discretion, including the length of time the pupil is authorised to be absent for.

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least one week before the absence via the school office. The Headteacher may require evidence to support any request for leave of absence.

## Oakhurst Grange School

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong(s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, bargees (occupational boat dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed

### 5.2 Sanctions

Our school will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

#### Penalty notices

The Headteacher (or someone authorised by them), local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, it will check with the local authority before doing so, and send it a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

## Oakhurst Grange School

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

### Notices to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under section 7 of the Education Act 1996
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

## 6. Strategies for promoting attendance

- At Oakhyrst Grange School we recognise and reward pupils for good attendance at our end of term assemblies. We also acknowledge class attendance in the termly newsletter and information is provided to the Governing Body.

## 7. Supporting pupils who are absent or returning to school

### 7.1 Pupils absent due to complex barriers to attendance

## Oakhurst Grange School

At Oakhyrst Grange we understand the importance of working together with families and local agencies to promote the importance of good attendance in education. All partners should work together to:

**Expect** – Create an ethos of high standards of attendance from all pupils and parents creating a safe culture and environment where all pupils want to be in school ready to learn, achieve and succeed.

**Monitor** – Rigorously use attendance figures and information to identify patterns/trends of poor attendance and create actions plans that can be worked on together to resolve them.

**Listen and Understand** – Through analysis, where a pattern is identified provide safe and supportive environments where pupils and parents are listened to and create pathways to help support.

**Facilitate Support** – Focusing on promoting children's welfare and safeguarding, remove barriers in school and help pupils and parents access the support that they need.

**Formalise Support** – If voluntary support is not working, the school will work closely with local partners and agencies to ensure support is put into place to enable families to respond.

**Enforce** – Where all avenues of support are not working or being engaged with, attendance will be enforced through a statutory intervention or a penalty notice in line with the National Framework.

### **7.2 Pupils absent due to mental or physical ill health or SEND**

At Oakhyrst Grange we understand the importance of working together with families and local agencies to promote the importance of good attendance in education. Each case is considered separately and families are supported through action points in discussion with the School Attendance Champion and SENDCo.

Where a pupil has an education health and care (EHC) plan and their attendance falls, or the school becomes aware of barriers to attendance that related to the pupil's needs, the school will inform the local authority.

### **7.3 Pupils returning to school after a lengthy or unavoidable period of absence**

Each case is considered separately and families are supported through action points in discussion with the School Attendance Champion and SENDCo where necessary.

## **8. Attendance monitoring**

Attendance data is shared at Governors meetings. School has set up a regular meeting with the Inclusion Officer.

### **8.1 Monitoring attendance**

The school will monitor attendance and absence data (including punctuality) half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

## Oakhurst Grange School

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement, and share this with the governing board.

### 8.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance, and
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

### 8.3 Using data to improve attendance

At Oakhyrst Grange School, we will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families (see section 8.4 below)
- Provide regular attendance reports to class teachers to facilitate discussions with pupils and families, and to the governing board and school leaders.
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Share information and work collaboratively with other schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

### 8.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education

## Oakhurst Grange School

- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
  - Discuss attendance and engagement at school
  - Listen, and understand barriers to attendance
  - Explain the help that is available
  - Explain the potential consequences of, and sanctions for, persistent and severe absence
  - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 5.2, above)

### **9. Monitoring arrangements**

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum, annually. At every review, the policy will be approved by the full governing board.

### **10. Links with other policies**

This policy links to the following policies:

- Child protection and safeguarding policy
- Behaviour policy

This policy is subject to regular review.
